

# Let Us Go to the Mount

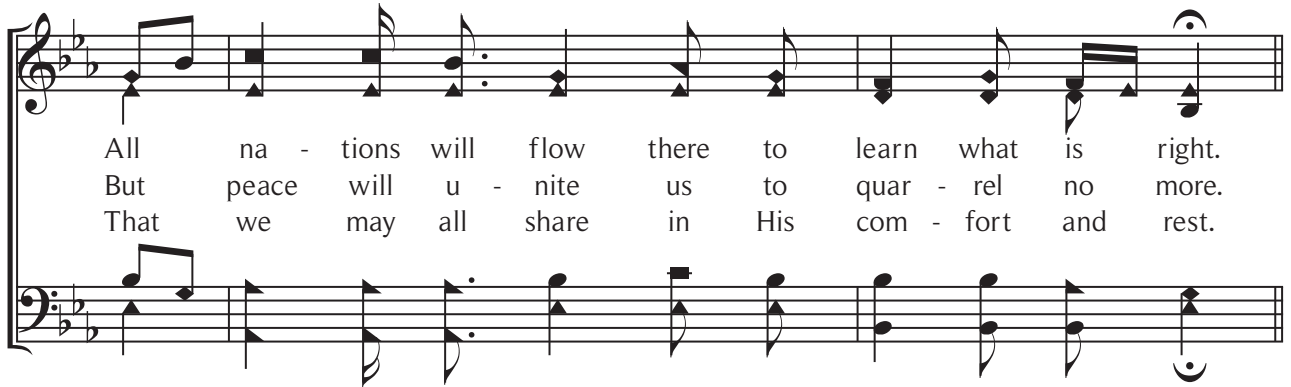

1.-3. O come, let us go to the mount of the LORD;

1. To learn and to walk in the paths of His word.  
2. Make tools from your weapons, make plows from your swords.  
3. Where justice is found for the weak and the poor.

From Zion His law will go forth as a light;  
No more shall we learn the cruel tactics of war,  
He teaches His people to love the oppressed,

All nations will flow there to learn what is right.  
But peace will unite us to quarrel no more.  
That we may all share in His comfort and rest.

CHORUS

He has shown you, O man; what does God re - quire?

Do just - ice, love mer - cy, walk hum - bly with your God;

Do just - ice, love mer - cy, walk hum - bly with your God.
